

COBRA Administration

The COBRA law is over 25 years old, yet its administration and compliance isn't any easier today than when it was new. In fact, employee benefits are becoming more complicated and challenging every year. As an employer, you must maintain documentation, update required notices, track dates and keep up with legislative and regulatory changes to stay in compliance.

Now, we'll do all of that for you. One partner. One price. One solution.

Our partner, Infinisource, is a **COBRA expert** - with over 17,000 employers using their services nationwide, and over 25 years of experience.

By opting into our COBRA service, you reduce risk, simplify your process, and *make COBRA compliance trouble free.*
