Point and Click to Comprehensive HR Information

Ever-changing employment laws, regulations and practices have helped employment litigation rise over 2,000% in recent years. With over 7,000 Federal Code Sections containing 40,000 pages of employment regulations, today's employer needs a comprehensive and reliable resource. Fortunately, Payroll Control Systems offers a solution to help you minimize your exposure to costly lawsuits and audits while optimizing employee productivity.

Online - Anytime, Anywhere

PCSHR AnswerLink is an online resource that stays abreast of federal, state and local laws so you receive the guidance you need to make timely decisions related to your HR needs. Users receive instant access to the latest HR news updates, important articles and other communications tools. These tools include an HR glossary and the ability to generate your own employee handbook using a built-in application.

Question and Answer Database

Get answers to your tough HR questions by running queries for timely HR information and the guidelines you need for regulatory compliance. Other resources include federal and state forms, job descriptions, sample employment letters and much more. The optional On-Demand Service provides immediate access to a team of HR professionals that will research your specific requests and provide you with thorough HR answers within twenty-four hours.

Standard HR Support Package

- HR Articles and Breaking News
- Glossary of HR Terms
- HR Resources
- Ask the HR Pro Question of the Month
- HR Forms & Letters
- Job Descriptions
- Questions & Answers Database
- Employee Handbook
- State & Federal Employment Laws

HR On-Demand

For a small additional monthly fee you can add this high value, low cost option that will provide:

- UNLIMITED personalized HR Consulting via E-mail and / or phone
- The ability to request custom forms and job descriptions for your business

Payroll Control Systems

Use it as often as you like. You will have access to a wealth of HR information 24 hours a day. For an additional fee per month, you can upgrade to HR On-Demand and receive unlimited HR Consulting via E-mail or phone. If you should decide to discontinue the service, simply contact us by phone, fax or E-mail and we'll disable your account.

Give it a try! Download documents, work on your Employee Handbook and research some of your toughest HR questions.
