

TRAINING, EDUCATION, & COMPLIANCE

In today's world, we can see the **effects of harassment** in the workplace. Without proper training, it's difficult to address and resolve this massive problem.

Organizations must remain in compliance with local and federal laws, including those around **labor, harassment, and discrimination.**

Consider using a **learning management system** to get compliance training rolled out to every member of the team.

More than **6,800 sexual harassment complaints** were filed in 2015.* A single complaint can cost an organization thousands or millions of dollars in legal fees.

**DON'T TAKE A CHANCE WITH TRAINING YOUR
EMPLOYEES ABOUT THESE CRITICAL TOPICS.**
